Subject: Elections Order

Hi Julia,

Here is Judge Osteen's order denying plaintiffs' motion for a temporary restraining order (TRO) or preliminary injunction (PI). This does not mean the case is over (since the case has not had a full hearing), but it does mean that for the primary election, an early voting site will not be in place at WCU. Please let me know if I can answer any questions for you.

Sincerely,
Kelly

Kelly Tornow
